

F. Teen's Services

PRINT COLLECTIONS (TEEN)

Size	Seating	PCs	Collection Size
200	0	0	1950

Functions Performed:

Provide changing displays of books of current interest. Space for college catalogs, career information, display area for booklists and handouts.

Service Goals:

Provide books and materials that address the needs and interests of the teenage population.
Engage the teen population with the print and digital resources of the library.

Close Proximity To: Teen Gathering & Seating Spaces, Homework Center, Teen Collaboration Zone

Distant From: Quiet Reading/Study Area

COLLABORATION ZONE / HOMEWORK CENTER

Size	Seating	PCs	Collection Size
800	35	3	0

Functions Performed:

Group study, project work, & social interaction.

Service Goals:

Establish spaces that facilitate collaborative study between teens, without disturbing other library patrons (including other teens).
Create a teen population ready for collaborative problem solving in higher education and in their work lives.
Foster understanding between individual students as they pursue group problem solving.
Ubiquitous access to electrical power and data network.

Close Proximity To: Teen Gathering & Seating Spaces, New Books/Browsing

Distant From: Quiet Reading/Study Area

TEEN GATHERING & SEATING SPACES

Size	Seating	PCs	Collection Size
700	26	8	

Functions Performed:

Gathering place that is uniquely suited to Teens. Provide young adults (grade 6-10) with a browsing area which includes fiction and periodicals selected especially for Teens. Bulletin boards for young adult oriented display.

Service Goals:

Graphic Novels, Leased books.
Establish the Teen Space in the library as a "destination place" in the community for Teens. Create an ambiance that supports and encourages working together. Reflect Teen interests but allow for inconspicuous supervision.
Ubiquitous access to electrical power and data network.

Close Proximity To: Homework Center, Teen Collaboration Zone, New Books/Browsing

Distant From: Children's area, remote areas of library, Quiet Reading/Study Area
